

To Whom It May Concern:

Carlos Jimenez has been an excellent volunteer at our center over the last year. He first began volunteering at our facility in February of 2014. Since then he has provided excellent services in teaching English as well as general assistance in providing service to our clients. Please do not hesitate to hire him because I believe he will be an excellent team player at any business he will work at. If you have any questions, I would be glad to speak with you regarding his exemplary performance.

Sincerely,

Joshua Broyles
